F8. During the election of the third round of legislators in December 1995, some people did not vote because they were busy. We would like to know whether you went to vote or not. It is very important for us to obtain the correct information from you. It is fine if you did not vote. In the past, some people who did not vote told us they did. Consequently, the voting rate from our research is much higher than the official voting rate announced by the government. This has been a great puzzle for us. Therefore, we would solemnly ask you to tell us whether you did vote or not. Thank you! vf8 ☐62
